

Custom Dovetail Drawers. Assembled By Hand.

Our Dovetail Drawer Boxes feature components that are handcrafted by our experienced drawer box manufacturers to meet your exact specifications. With a large selection of hardwood species and custom design options, we can craft your vision. We offer worry-free, on-time delivery and guarantee the highest quality.

Beyond Quality

With Tilo Industries as your dovetail drawer box manufacturer, you'll always receive:

- Minimal gluing
- Quality hardwood (FSC wood species available)
- Top edges that can be chamfered or finished to your specification

Beyond Custom

Building quality cabinets and furniture depend on quality drawers and components. Unlike other dovetail drawers manufacturers, we promise on-time delivery of the highest-quality boxes to:

- Cabinet builders
- Home builders
- Furniture makers
- Woodworkers

Beyond Accurate

Our mission is to meet your and your clients' needs, and to do that, we offer a wide range of custom and standard options for your dovetail drawers and components:

- Overall size of up to 60" x 36"
- 1/2", 5/8", and 3/4" thicknesses
- Any hardwood species, including FSC
- Full Drawers / Fronts / Bottom, assembled & sanded
- Standard bottom groove and under-mount notching
